ABOUT THE UNIVERSITY

St Aloysius (Deemed to be University) belongs to a network of educational institutions administered by the members of the Society of Jesus, a religious order which runs schools, colleges and universities in more than 105 countries in the world.

Established in 1880, St Aloysius (Deemed to be University) prides itself in its history of 144 years. Despite its status as a minority institution, the college has imparted high-quality education to all sections of society regardless of caste, color, or creed.

The motto of the university, "Lucet et Ardet" which means "shine to enkindle" has inspired countless students to become men and women for and with others and thus bring light and joy into the lives of people. It is for this reason that Jesuit education has become a touchstone for evolving new paradigms in higher education.

OVERVIEW OF THE EVENT

CodeSprint is a high-energy 24-hour hackathon designed to challenge and inspire developers, designers, and tech enthusiasts. Participants form teams to tackle innovative projects, solve real-world problems, and create cutting-edge technology. This event features mentorship from industry experts, networking opportunities, and exciting prizes. Whether you're a seasoned pro or a newcomer, CodeSprint is the ultimate test of your coding skills and creativity.

EVENT DETAILS

- Date: January 10, 2025
- Time: 9:00 AM - 9:00 AM (Next Day)
- Hackathon Theme: https://bit.ly/CodeSprintTheme

ELIGIBILITY

- Open for all.

TEAM COMPOSITION

- Teams must consist of 2 to 4 members.
- Teams must be formed before the event begins; changes to team composition are not allowed once the hackathon starts.

CODE OF CONDUCT

- Participants must adhere to the hackathon's Code of Conduct.
- Harassment, discrimination, and any form of misconduct are strictly prohibited and will lead to disqualification.

TECHNICAL REQUIREMENTS

- Teams must bring at least one laptop.
- An internet connection will be provided, but students may arrange their own internet if desired.

PROJECT GUIDELINES

- Projects must align with the hackathon's theme.
- All work must be created during the hackathon and pushed to the team's GitHub account.
- Use of open-source libraries and frameworks is allowed, but pre-existing code or assets are not permitted.

SUBMISSION GUIDELINES

Project submissions must include:
- A link to the project's code repository (preferably GitHub).
- A presentation/demo video (optional).
- A description of the project, including the problem addressed, the solution, and the technologies used.

JUDGING CRITERIA

- Innovation and Creativity.
- Technical Complexity.
- Usability and Impact.
- Presentation and Demo.

PRIZES

- 1st Place: ₹50,000
- 2nd Place: ₹30,000
- 3rd Place: ₹20,000

Additional Patent Support will be provided
